# GET TO KNOW THE CHAMPIONS

## ABOUT THE TEAM

Memorial West Ice Hockey is a high school varsity team with a strong presence in Houston and Texas for over a decade. We compete in the ISHL (Interscholastic Hockey League) and typically have a roster of 18 players per season. Our players excel not only on the ice but also in the classroom. The team is made up of players from some of the best private schools, such as St. John's School, Kinkaid, Awty, and Village, as well as from Memorial High School and Stratford High School in the public school system.

# OUR REACH & IMPACT

Your sponsorship will connect you with a dedicated fanbase of students, families, and Houston community members throughout our 30-game season.

## Game count

We play an average of 20 games per regular season, plus an additional 10 games from city and state championships, scoring a whopping 8 goals per game on average as marquee entertainment.

## Game Attendance

We average over 120 live viewers per game, with each game running for approximately 90 minutes. This excludes virtual viewers on Livebarn and YouTube, who contribute an additional 20-30 viewers. During State and City Championships, the viewer count triples, significantly boosting attendance.

## Social Media Following

We have an active social media account, generating close to 2,000 views per post, not including reposts from players and the ISHL league account, which reach an audience of 500+ fans/followers.
